

Sandra L. Joe, MJ, RHIA
Regional Director Health Information
Provena Mercy Medical Center, Aurora, IL
Provena Saint Joseph Hospital, Elgin, IL

Sandra is currently serving as President-elect for Illinois Health Information Management Association (ILHIMA). She is the Regional Director of Health Information Management at Provena and manages two of the ministries Provena Mercy Medical Center, Aurora, IL and Provena Saint Joseph Hospital, Elgin, IL. In addition is the Compliance and Privacy Officer for both locations.

Sandra has implemented and streamlined processes for improvement at both sites and has facilitated various project initiatives within the two locations. She has facilitated and co-authored the ILHIMA Legal Manual and written articles for the Chicago Area Health Information Management Association (CAHIMA) newsletter.

Sandra received her Master's of Juris Prudence in Health Law at Loyola University Chicago, IL and Bachelor of Science in Medical Record Administration at the University of Tennessee.
